

TRANSCRIPT of Barry Morphew and AK's Conversation on Highway 50

This was an unexpected encounter and subsequent conversation with the husband of Suzanne Morphew, Barry Morphew, aka BM, aka #0012159, that occurred on the afternoon of 10/17/2020 at the entrance to Monarch Estates, CO Rd 225, while he, his mother, Joe Pacheco, and George Davis were working on installing metal gates facing Highway 50. This was 5 months after Suzanne's disappearance. Punctuation, spelling and proper usage of the words contained within this document do not reflect anything but the speech that was used and the laziness of this document creator.

October – 2020 At this point not much truthful information regarding Barry's actions were widely known, outside of a small local team and ourselves. This is just one of our encounters with Barry Morphew.

136
137 BM

176 AK
177 Well, they all they did was provides the GIS and the search was not shoulder to shoulder, that's not a

205
206 BM
207 It already is
208
209 AK
210 They're involved to a point, but they would have to be invited by CBI to join in on anything.
211 Missing persons, I guess isn't the federal thing.
212 Dude I I. Like I I. I freeze my ass off every night. I ride the four Wheelers. I've gone through 10 tanks of

223 Only thing I can do trust god.
224
225 AK
226 And your family? I'm so sorry, dude.
227
228 BM
229 Two Daughters
230
231 AK
232 Not just the loss but having to have
233
234 BM
235 Blah, I don't get that. That's what I don't get I. I understand they had to investigate me at the 1st part
236 because..
237
238 AK
239 That's how they do it.
240
241 BM
242 That's fine, but do what they did to me?
243 I just don't understand that. I mean, I know we get persecuted, and I don't know because I'm a
244 conservative Christian and they are pounding on us because of our faith or because we are successful, or
245 what. I don't know, I don't get it.
246
247 AK
248 My wife has watched it and she's a consumer of things crime drama drama crap cuz of my old line of
249 work.
250 She says that. She feels like you need to say something more and it's and it's. It's the lack of your face
251 being out there and is taking away from the human aspect of Suzanne's disappearance it just opens up
252 more.
253
254 BM
255 You know, I I don't ever know what to do. I've had people. Good, Important people tell me, that I don't
256 need to say anything.
257
258 AK
259 Well, legally, legally they're gonna tell you that
260
261 BM
262 Yeah, but I don't have nothing to hide. That's why I told the CBI.
263 They had me meet for 30 hours.
264 Yeah, I sat there and answered every question I said. I don't need a lawyer. I want to find my wife.
265 I'm answering every one of your questions.
266
267 AK
268 Awesome

TRANSCRIPT of Barry Morpew and AK's Conversation on Highway 50

269 BM
270 I did everything and none of that comes out on the media. That I've been cooperating the whole time.
271 They took my house for 3 weeks. They took all my vehicles tore em apart. Took my computers, took my
272 phones. All my laptop computers. Computers in the vehicles.
273
274 AK
275 Didn't they come back?
276
277 BM
278 Huh?
279
280 AK
281 Didn't they come back a second time?
282
283 BM
284 They come back, dug up my whole property.
285 I mean, it's just like.
286
287 AK
288 On what?
289 BM
290 I have no. I have no idea.
291
292 AK
293 Do you think that bike was put there?
294
295 BM
296 I have no idea. Because the, the um, the sheriffs that went there pulled the bike out of the ditch and let
297 twenty
298
299 AK
300 Who found it?
301
302 BM
303 The cop, sheriff. They pulled it out of the ditch, 5 or 6 different people handled the bike with their
304 fingers. They let 25 cars go down the road and destroyed any evidence that was in the roadway.
305
306 AK
307 Tire impacts, footprints
308
309 BM
310 Foot prints, Tire tracks, bike tracks. You couldn't tell which way her bike came from.
311 I mean, you could see.
312
313 AK
314 Why don't we have this story out? Why isn't this out?
315

TRANSCRIPT of Barry Morpew and AK's Conversation on Highway 50

316 BM
317 Because the police won't let anything out.
318
319 AK
320 Well, why don't you?
321
322 BM
323 I don't know if I'd get in trouble,
324
325 AK
326 UH, from who?
327
328 BM
329 Im a fireman and I gotta work with these guys every day. If I start downin them.
330
331 AK
332 Brother, what's more important?
333 You're family is going through hell.
334 You're going through hell, I can tell it in your eyes.
335
336 BM
337 Yeah, I just I. I'm not ready to just fall apart.
338
339 AK
340 Brother you got to be strong. You've pretty girls, I I couldn't imagine making. I've been through a dark
341 time in my life, where I have a similar experience and that's whats driving me to try to help. But I I just
342 truly feel they need to see the personal side of you from what my wife said. Whatever.
343
344 BM
345 I don't listen to social media, so I don't know how bad it is. I'm just getting bits and pieces from friends
346 on what they've done to me, but.
347
348 AK
349 Don't don't don't like don't get on social media media , Brother it's bad
350
351 BM
352 Yeah, I don't know what to do.
353 I mean, if I'll do whatever it takes to get my wife back, right, I think somebody taken her.
354 They've either taken her for the sex trade. They've taken her for their own, but they threw her in car in
355 and taken her away from here. Ive searched for 100 days.
356
357 AK
358 I know you have
359
360
361
362

TRANSCRIPT of Barry Morpew and AK's Conversation on Highway 50

363 BM
364 100 days, I've covered every 100 yards for miles. That's all I did for 100 days I didn't work for 2 months
365 after. I got a buddy that's an army Ranger and we walked the mines. The mine shafts we busted in
366 cabin doors. We pushed it all.
367
368 AK
369 I've seen a couple cabin doors be busted in and I walked in em.
370
371 BM
372 Yea, shes not here
373
374 AK
375 I I have a problem with finding that shirt. That changed my whole fucking sorry my whole perspective on
376 it.
377
378 BM
379 You're good.
380
381 AK
382 My whole perspective on this change because when I talked to them about the shirt, he says I know they
383 searched the creek area, because they, it was a team from Pueblo, and they're very great at what they
384 do. OK, but did they walk the creek? Because every 100 yards theres at least 3 catch points. And Ive
385 done water rescues before, swift water rescues and
386
387 BM
388 The dogs, the first night, they made me get one of her garments and the bloodhounds trailed her right
389 to the river at lost her at the river.
390
391 AK
392 I had dreams weird. I don't know how these things pop in my head, but she's in water.
393 And that's why I was so adamant. I thought this was 100% searched.
394 And to find out that just going down there and got knee deep in the water and turned around off some
395 psychic sent me a coordinate, this is what I think is where you're gonna see, overlook a bluff and on the
396 other side there are trees and you'll go down to the water and you'll find peace.
397 So I went down to the water and didn't find peace. I stepped in the water and turned around.
398 And there was that blue shirt. And it was smaller shirt. It looks like it's a lady. I mean very small, blue,
399 but it looked like it had gunshot like,
400
401 BM
402 Yea
403
404 AK
405 It I I can show it to you, but if you want to see it.
406
407 BM
408 Yeah
409

410
411
412 AK
413 Um, yeah, I have the exact coordinates 'cause I've been tracking it for days. Cuz these people, the
414 sheriffs, are not on your side. See the collar. It wasn't found like that. It was found wrapped up, but if
415 you notice down here at the bottom and you're a firefighter, those are burn marks.
416
417 BM
418 Yea
419
420 AK
421 OK, so that was either a sparkler. Or something? Or Buckshot
422 I don't know. And it disturbed me.
423 BM
424 Yeah, well, they need, Kirby needs to get that and do dna
425
426 AK
427 'cause it has it it it? It does have.
428 Down here it does have what appears to be either dirt or darker substance of maybe blood?
429
430 BM
431 Yea
432
433 AK
434 It's just.
435 A half a mile from your house.
436
437 BM
438 Yea, he needs, they need to get that tested. Immediately call him.
439
440 AK
441 Would he answer on a Sunday?
442
443 BM
444 Oh yeah, yeah, I bet he would
445
446 AK
447 'cause these guys are a fucking joke, man.
448
449 BM
450 Yeah, you gotta go, out.
451
452 AK
453 One laughed at me last night. One laughed at me last night.
454

460 I don't get it, man.
461 Im sorry to interrupt you.
462 I didn't even know it was you. This is weird.
463
464 BM
465 Yea, I could tell you didn't,
466
467 AK
468 This is weird
469
470 BM
471 Faith in god. I appreciate you.
472
473 AK
474 Im gonna stay for another week. I have 2 more mines, I repelled down one shaft, um it was okay. The
475 other one wasn't a 1-man thing, but I don't want to leave until I get that one last checked out.
476 And, uh. I don't know. Showed him the tape recorder. Brother, Sorry. I I'm not, I'm not. I'm not
477 whoever filmed you and put you on social media im that not that dude. My dash Cam is not even on. I
478 don't have anything I just tape
479
480 BM
481 You know it doesn't matter, Kurt, anymore to me just as long as we can find her. Thats all I care about.
482 As long as there are guys like you out there that is still willing to help me. We have no problem
483
484 AK
485 It's helping it's helping put the world right. 'cause you guys are getting vilified, and your kids, Your
486 daughters. What is people's problem
487
488 BM
489 Maybe you can get the truth out there. After meeting me and hearing some things, you are more than
490 welcome too
491
492 AK
493 Are you sure?
494
495 BM
496 Yea, absolutely, absolutely
497
498 AK
499 I have no disparaging words for you man
500
501 BM
502 I love my wife more than anything but my kids, and the world does not see that.
503

504 AK
505 That's what people need to see! That's what needs to be said. Maybe, maybe maybe. Maybe you
506 make a video and just put it out there. You have somebody that can record.

507
508 BM
509 Ive got a Lady, I trust she did a story on the thing, uh

510
511 AK

516
517 **CENSORED CONVERSATION**

518
519 BM
520 I want to find my wife. We find my wife, I might go down that road.

526
527 BM
528 What gets me, Unintelligible, they spend all that money digging up my job site, digging up my.
529 House over \$200,000 county money they spent digging up my job site looking for the body and they
530 could have put that money into the river or mountains. Makes me sick.

531 AK
532 She's in the river, you saw that shirt.

533
534 BM
535 Well, if you don't mind, make sure you get ahold of Kirby.

552 I don't want to put words in your mouth.
553
554 BM
555 Nah, You heard what I said. Shes the love of my life. 32 years ain't spent hardly a day without her. Shes
556 the sweetest kindest of most gentle heart. We both love the Lord. We both love god. Our children the
557 same way we've got the closest, tightest family. Everything that's out there is complete bull
558
559 AK
560 Why
561
562 BM
563 Why I to this day I can't understand it.
564 I cannot understand that.
565 There's no, there's not one stitch of evidence on me it's because it doesn't exist.
566 They got 2000 FBI agents.
567
568 AK
569 So so, and playing and playing devil's advocate, because my wife is a crime junkie. She says so. Why
570 does he go to Denver on Sunday. Mother's Day.
571 I said well, he's a business owner Getting his job site ready, I used to do that when I was a GC.
572
573 BM
574 Yea, I did it so I could get back, get my people started and get back home to my family. I did it on
575 mothers day because my two daughters were on their way home to take their mom out and they
576 wanted to spend all the day with them. The do the same for me on fathers day.
577
578 AK
579 Yea
580
581 BM
582 Yeah, there's nothing. My wife had no problem with it.
583 I told her I said listen, I'm going to go. I got an extra day here. I'm going to get the job ready for these
584 people. She's fine with it, I leave her at 5:00 o'clock in the morning, she's sound asleep in my bed.
585
586 AK
587 You know what they're saying on social media? Is that at 4:00 o'clock, Morgan was getting, she heard
588 your truck outside her house.
589
590 BM
591 That's not true, that never happened
592
593 AK
594 And then you texted her at 4 something in the morning to get a crew together to go up to Denver, last
595 minute.
596
597

598 BM
599 If that was the case the FBI would have it, they got my phone, they got all my texts.
600
601 AK
602 I know but that's what's out there.
603
604 BM
605 I know but I don't know why it was put out.
606
607 AK
608 Well, why? Why isn't that truth being told?
609 If it doesn't harm the jeopardy, it doesn't jeopardize the investigation
610
611 BM
612 Morgan is a methhead, She's got serious problems
613
614 AK
